FTTH provides customer support for FTTH provided Television Access services and customer premise equipment. FTTH's support responsibilities do not extend to cover Television Access services or equipment not provided by FTTH. Customers are allowed only the number of television sets listed in this agreement and understand that additional sets are to be added by FTTH employees only. By signing below you accept the order stated above and the terms and conditions of the Subscriber Agreement which is, for all services at a promotion price, attached hereto and made a part hereof, and you certify that you have read and understood the Subscriber Agreement and hereby accept the stated terms and conditions in its entirety. You agree to be billed for the services above using your selected method of payment. You also agree to inform FTTH of any change in your credit card information, if applicable, sufficiently in advance to allow changes to FTTH's billing records. All prices to include applicable taxes, fees and surcharges on top of the retail prices shown above. Balances due over 30 days subject to a 1.5% per month late fee and for balances due over 60 days an additional \$15 per month Collections Administration fee will be assessed. Any and all collection costs will be paid by you. An Early Termination Charge of up to \$175 may be applied upon early cancellation.
